**ORDER:**

In the letter read above, the Engineer-in-Chief(R&B)Roads, Hyderabad, has stated that Rajavaram-Podalada road is an important M.D.R. spanning in Gannavram & Kothapeta Assembly constituencies in East Godavari District. It connects State Highway (Ambajipeta-Gannavaram Road) and two National Highways (NH.216 & NH.16). This road is acting like a Gate way of Konaseema area. The road runs through number of important villages like Bobbarlanka, Rajavaram, Ankampalem, Ryali, L.Polavaram, Podagatlapalli, Ethakota, Ganti ,P.Gannavaram & Razole which are very important in the Konaseema area. It is a basin for coconut production and coir industries are located nearby.

2. The existing carriage way from K.M. 27.400 to 28.400 is single lane surface and from K.M. 31.725 to 37.000 is an intermediate lane surface of 5.50M. Number of heavy loaded vehicles and commercial vehicles are plying on this road. Due to the proximity of ONGC Refinery located at Tatipaka village near Razole a number of heavily loaded ONGC vehicles are also plying on this road daily . As a result of plying of heavily loaded vehicles the road stretches from K.M. 27.400 to 28.400 & KM 31.725 to 37.000 are badly damaged causing lot of inconvenience to the public. Hence it is very essential to improve these stretches i.e. from KM 27.400 to 28.400 & KM 31.725 to 37.000 of this road by way of strengthening. The CVPD on this road is 1312 and PCUs per day 7851. This stretch was last renewed in the year of 2004-05.

3. He has further stated that the above proposal does not require any Stage-I approval as contemplated in G.O.Ms.No.94, Irrigation&CAD Department, dated:01-07-2003.

4. The Engineer-in-Chief(R&B)Roads, Hyd., has requested the Government to accord administrative sanction for the work of Strengthening the carriageway of Rajavaram- Podalada road from Km 27/400 to 28/400 and from 31/725 to 37/000 in East Godavari District, for a an amount of Rs.300.00 Lakhs, under Normal State Plan, under PLAN MDR under the head of account "5054-04-GH11- 800-SH(07)-530-531" for the year 2012-13.
